Strategic Asset Allokation 2022

Peer Group Comparison

Sustainability of asset investment

fair-finance is committed to 100% sustainable investment, combining exclusion criteria agreed with the customer advisory board with a best-in-class approach and additionally focusing on high-impact topics such as microfinance, alternative energy, reforestation and social business financing. The fair-finance bond, the fair-finance equity global, the fair-finance masterfonds and the fair-finance real estate sustainable funds have been tested and certified in accordance with the Austrian Eco-Label under Guideline UZ 49 "Sustainable Financial Products". The rating system for sustainable real estate developed by fair-finance is also unique.

Interest guarantee

-  Functions like capital guarantee (same conditions - application on payout), applies to net contributions
-  Implicit guarantee on the transfer amount (previous contributions plus interest)
-  Guarantee level 0.50% for 2022 - determined annually by Executive Board with approval of stakeholder-dominated Supervisory Board
-  Unique minimum interest rate guarantee as additional benefit without additional fees

Owner

"GLS Gemeinschaftsbank" and the "Concordia insurance group" each hold 10% of Sinnova Holding. 80% is owned by 16 private individuals around the founder and CEO Markus Zeilinger. The pension fund is a wholly owned subsidiary of Sinnova Holding, which has held a further stake in the real estate company buildings4future since the end of 2016 and the insurance broker Die Versicherei since 2019.

Partnership & Transparency

-  Participation in the Customer Advisory Board - Sustainable investment guideline
-  Profit sharing credited to customer accounts annually since reaching breakeven in 2015, in sum about EUR 775.000,-
-  Control rights in the Supervisory Board - 4 of the 7 Supervisory Board members form stakeholder majority
-  Monthly publication of the portfolio on the homepage
